

START
HERE!

John forgets to cover his cough. Move forward 4.

Sarah wipes her mouth with John's tissue after lunch!
YES!

John sneezes into a tissue. The germ dies!

You are coughed into the air! Whee! Move forward 1.

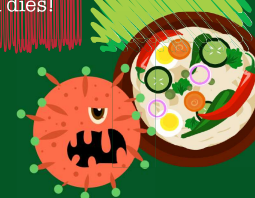

You have been floating in the air for a while. Go back 2.

Sarah shares her spoon with hungry John. You're in! YES!

Oh, no! John sneezes into his elbow. The germ dies!

Amazing! Sarah eats the food you landed on!

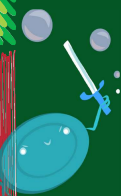

Sarah cleans the table you landed on. Rats! The germ dies!

John touches the table and you. You are on his hands! Follow the germ trail.

GERM aDVENTuRe

You made it across the germ trail!

AHHH! John washes his hands with nasty soap! The germ dies.

John uses his snotty hand to play with a toy. Move forward 3.

John is invited to play, but stays home to rest. The germ dies!

Sarah shakes hands with John, and bites her fingernails!

John rinses his hands. You manage to survive, but must go back 6.

Sarah plays with John, then eats a snack without washing her hands!

Sarah is coming. Now is your chance! Roll again and see where you go!

Sarah knows John is sick, and keeps away. The germ lands on the floor and dies.

After school, Sarah washes her hands and body. NOOOOO! The germ dies!

Sarah goes to the restroom and wipes her nose without washing her hands!

THE GERM ZONE!
